

## Your Neighborhood Connection, LLC

Place your home care needs in reliable hands. Your Neighborhood Connection, LLC is owned by two well-respected senior care providers – **LutherCare and Moravian Manor Communities**. Our purpose is to become trusted friends who can provide quality home care assistance that keeps you safe and supports your pursuit of an active, independent lifestyle.

Our team seeks out opportunities for relationship building and social connection while providing valued services and support.

*“Our goal is to create life-enriching opportunities by delivering a new standard innovation and valuable home care services. We partner with clients to support an atmosphere of understanding and respect, while anticipating and accommodating their ongoing needs.”*

*Home Care Support to Enrich Your Life*

**Assistance at Home or Wherever Your Day Takes You**

## Your Home

When home is where you want to be, Your Neighborhood Connection provides the additional support allowing you to remain comfortably and safely at home.

## Your Needs

You are unique and so are your needs. Whether you require assistance with household chores, medications reminders, transportation or personal care assistance, we will create a customized care plan to meet your specific needs. Don't miss out on attending those special moments that life has to offer, allow a care companion to accompany you and continue to make memories at upcoming weddings, graduations and holiday gatherings or wherever your day may take you.

**During our free, no-obligation in-home consultation, we'll carefully assess your needs and interests.**

Our goal is to select the perfect Care Companion to complement your personality and lifestyle. You can relax in the knowledge that your Companion will be dependable, trustworthy and sensitive to your needs.

All of our Care Companions are employees of Your Neighborhood Connection, fully trained to provide quality in-home care services and are covered under General and Professional Liability Insurance. They also have undergone pre-hire screenings, criminal background checks, MVR driving history, and TB screening.
